HOST A HERO DAY!

In support of Ronald McDonald House Charities Greater Western Sydney, we are hosting a **Hero Day** to help provide a home-away-from-home for seriously sick and injured children and their families.

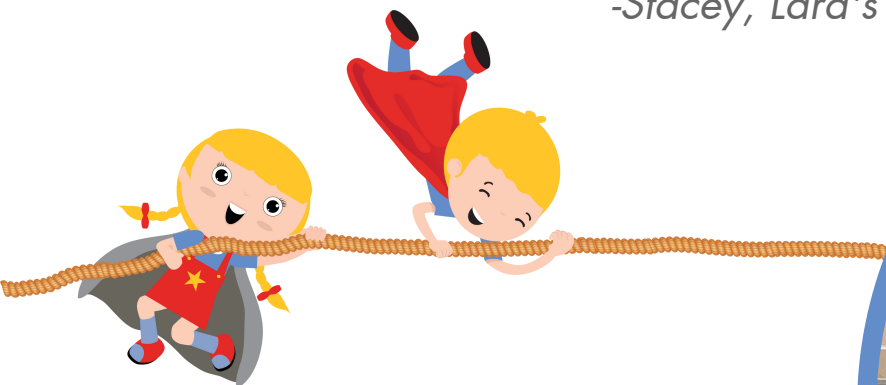

Students and teachers are asked to dress as their favourite everyday hero, and bring a donation to support Ronald McDonald House Charities Greater Western Sydney.

Each year, RMHC GWS supports over 1,500 families with seriously sick or injured children from regional and rural Australia.

By showing your support, you are helping families like Lara's (pictured below). Lara and her family from Orange called Ronald McDonald House their home-away-from-home for 248 nights while Lara was treated for Leukaemia.

"No words will ever be enough to say thank you to RMHC GWS. The place that housed our family for 9 months... it became our normal, our life. We'll never forget it".

-Stacey, Lara's mum

Thank you for supporting sick kids
and their families
